Outdoor Universal Tilt Mount - Portrait

FOR 42" TO 80" DISPLAYS

Peerless-AV's Outdoor Universal Tilt Wall Mount offers peace of mind when mounting Peerless-AV® outdoor displays with its corrosion resistant E-Coat finish and plated hardware. In addition to simple installation with its Hook-and-Hang™ design, the open wall plate provides total wall access while keeping the display a mere 2.52" from the wall. To ensure your display is secure, tamper resistant hardware helps deter theft, offering safety and reassurance with every installation.

- Low-profile design holds display only 2.52" (64mm) from the wall for a clean application
- Universal display adaptors easily hook onto the wall plate for fast installation
- Universal mount fits displays with mounting patterns up to 445 x 605mm (17.50" x 23.82") and up to 400 x 600mm VESA® compliant
- Fixed incremental tilt with angle settings at -5°, 0°, 5°, 10° or 15°
- Tamper-resistant hardware is standard and also has accommodations for optional padlocks
